Associate of Science in Web Design | In Progress | San Diego Mesa College
Bachelor of Arts in Psychological Sciences | Completed - May 2020 | CSU San Marcos

Skills & Abilities

Technical	Design	Other Skills
• HTML5	• Adobe Illustrator	• Bilingual - Spanish
• CSS3	• Adobe InDesign	• Team collaboration
• JavaScript	• Adobe Photoshop	• Data Entry/Analysis
• WordPress	• Axure	• Problem Solving

Projects:

National Park Gallery: Developed website with HTML, CSS, and a Lightbox2 plugin to display an image gallery of the National Parks in the U.S.

Pretty Petals: Designed and Developed using HTML and CSS for a test client. It displays services, portfolio, and a contact page for the floral arrangement business.

Street Taco Catering: Designed and Developed using Bootstrap for a test client. The catering website displays services, prices, and a contact page.

San Diego Kitten Adoptions: Developed with React. It imports data from two different API's to create the content that is seen on each card component. Each card contains a different kitten image and contact info.

Experience

Credentialing Specialist | Host Healthcare | February 2021 – November 2021
- Obtained compliance documents in a timely manner to meet healthcare facility requirements.
- Ran background checks and ordered medical requirements such as drug screenings.
- Verified employment and education depending on the traveler's specialty.
- Reviewed medical records, certifications, and licenses to ensure they were in compliance with facility and state regulations.
- Communicated with travelers to inform of most current facility policies and procedures.

Patient Service Representative | Family Health Centers of San Diego| March 2020 - January 2021
- Registered patients by verifying personal information and adhered to HIPAA regulations.
- Contacted patients to schedule appointments and completed reminder calls.
- Verified eligibility and updated information on medical records.
- Discussed consent form and questionnaire with patients and ensured they were completed in a timely manner.
